Lake Elsinore Valley Education Foundation Endowment Fund
Employee Contribution (Voluntary)

Lake Elsinore Valley Education Foundation Endowment Fund (LEVEF) is a component fund of the Inland Empire Community Foundation, a 501(c)(3) nonprofit organization. LEVEF was established in honor of former LEUSD Superintendent Dr. Sharron Lindsay, who envisioned it as a lasting way for the community to support students of all abilities in pursuing a college education.

The Foundation's mission has been to provide scholarships to college-bound LEUSD students. In addition, LEVEF has helped provide needed books for elementary school students throughout LEUSD.

To date, LEVEF has awarded more than $175,000 in scholarships to deserving students.

Beginning in the 2024–25 school year, LEVEF partnered closely with LEUSD Superintendent Dr. Ryan Lewis to support programs identified as priorities during his 2022 Listening Tour. Areas of focus included social-emotional support for students, staff, the community, educational programs, school safety, and other initiatives aimed at enhancing student success and well-being.
