Lake Elsinore Valley Education Foundation – Educational Support Fund

Teacher Grant Application

(2026 – 2027 School Year)

The Lake Elsinore Valley Education Foundation (LEVEF) is pleased to announce the availability of teacher grants for current TK-12 LEUSD educators to enhance their classroom educational programs. For the 2025/2026 school year, we are launching our inaugural grant program, awarding five grants of up to $500 each.

Guidelines: Eligible ideas include projects that reinforce existing curriculum and standards across Science, Social Studies, Math, Language Arts, Visual and Performing Arts, and Physical Fitness. Funds may be used to purchase hands-on materials, enrichment supplies, or resources not covered by LEUSD funding. Additionally, grants can support field trips and other educational experiences that may not be funded by LEUSD; please note that educators are responsible for obtaining any necessary permissions or consultant agreements. Grants cannot be used to cover teacher stipends.

Disbursement Process: Funds will be issued directly to the school site in the name of the lead teacher. Teachers and school staff will then be responsible for initiating purchase orders, permissions, and/or consultant agreements as needed.
